

24th Edition of International Conference on Neonatology and Perinatology

Marija Lukavac

Doctor, Medcare, Woman and Children Hospital NICU, Dubai, E-mail: marijalukavac@gmail.com

2020 Conference Announcement

Neonatology is a subcategory of **pediatrics** that consists of the medical care of newborn infants, especially the premature newborn. It is a **hospital**-based specialty, and it's usually practiced in **neonatal intensive care units (NICUs)**. The patients of **neonatologists** are basically **newborn** infants who are ill or require special medical care due to prematurity, low birth weight, intrauterine growth restriction, congenital malformations (birth defects), sepsis, pulmonary hypoplasia or birth asphyxia.

International conference on Neonatology will be idyllic destination for the Neonatology's Academicians, Scientists, Research Scholars, Young researchers and corporate people to share their knowledge and vision. It will be the perfect platform to build up new connections and work together sustainable growth and development with excellence and humility.

The conference gives you one of the finest opportunities to engage with the eminent doctors and researchers from the area of Neonatology, Perinatology and Pediatrics. With your knowledge presented here for the benefit of the world you can inspire more people to enhance their research. Most prominent speakers, advanced technologies and discoveries in the field of neonatology; are the highlights of this two day conference.

Conference brings together the experts from all the aspects to meet and discuss the future and current status to thrive and endure with a better result. The participants can exchange and share their research results covering the scientific aspect. The event will unite Directors, Director of Laboratories, Universities, Industries, Delegates, Investigation experts, Investigators, Post-Doctoral Fellows, Research and Analytical Laboratories, Students, Research organizations, Market Research and Consulting Firms and all the intrigued individuals ready to upgrade and refresh the comprehension on the subject.

This interactive conference will combine technical input, personal effectiveness facilitation and practical hands on experience. This will ensure delegates go away with skills to enable them and their teams to perform to the peak of their abilities, to continue to push the boundaries in delivering better, high quality international conferences. There are different sessions in the Conference like Keynote session, Oral Presentation, Poster Presentation, Workshop and Video Presentation. Participants will get following benefits:

- All accepted abstracts will be published in the respective Journals.
- Each abstract will receive a DOI provided by Cross Ref.

- Certificate of Presentation
- Best Poster Awards

Neonatology 2020 features outstanding and internationally renowned neonatologists, perinatology experts, paediatricians, academicians and researchers. The representations include premier medical universities, hospitals and healthcare/pharma industries from all around the globe. The topics covered at the conference would range a spectrum of Neonatology, Perinatology and Pediatrics. Attendees of the conference would be delighted to witness various interactive workshops, keynote lectures, speaker talks, and poster presentations and most significantly the exhibitions held by the top healthcare and pharma industries. The conference also has Young Research Forum, where the budding researchers are encouraged to give oral presentations.

Prof. Jagan Mohan from Prathima Institute Of Medical Science, India to present a session on Neonatal Neurology to share the research and ideas at **Neonatology and Perinatology Conference 2020 at Berlin, Germany.**

Fundamental information about the Neonatology and Perinatology is going to be discussed in "**24th Edition of International Conference on Neonatology and Perinatology**" which is going to be held during **April 20-21** in **Berlin, Germany**, with the theme "Current Trends in Neonatal Research" under the Organizing Committee Members.
