

Editorial Note

I am glad to mention the achievement during the year 2019, all issues of volume 4 were published online well within the time and the print issues were also brought out.

Pediatrics Infectious Disease: Open Access (PIDOA) during this year also brought out 4th International Conference on Pediatrics, Neonatology and Pediatric Nursing & 33rd World Pediatrics Conference proceedings has published Online.

Cosmos Impact Factor of Pediatrics Infectious Disease: Open Access (PIDOA) of the year 2018 was 3.956, along with that journal is also indexed in Semantic Scholar, USP Production Repository (Brazil), China National Knowledge Infrastructure (CNKI) and Secret Search Engine Labs. Journal follows strict publication ethics.

During the calendar year 2019, PIDOA received total 50 articles, out of which 20-25 articles were rejected in the preliminary screening due to plagiarism or being out of the format. During 2019 around 20 articles were subjected to the peer-review process and were sent for minor revision. Journal of Pediatric Infectious Disease is an open access journal, double blinded peer review process has been followed in our journal. In peer review process, reviewer would take 7-14 days to submit their valuable comments. It would take 21-25 days to complete the whole process, articles were published from authors all around the world. Pediatric Infectious disease: Open access is one of the leading international journal in the world. Journal is providing a vast platform to the authors to reach the journal easily through the social media by advertising the published article on the online platform such as Twitter, LinkedIn, and Academia. Average publication lag time of an article was further reduced to 2-3 weeks.

During the calendar year 2019, a total of 5 Editors, 15-20 Reviewers joined the board of PIDOA and contributed their invaluable services towards contribution as well as publication of articles.

I take this opportunity to acknowledge the contribution of (Lilly H. Cheng Immergluck) during the final editing of articles published and the support rendered by the editorial assistant, Christina Williams

in bringing out issues of PIDOA in time. I would also like to express my gratitude to all the authors, reviewers, the publisher, the advisory and the editorial board of PIDOA, the office bearers for their support in bringing out yet another volume of PIDOA and look forward to their unrelenting support to bring out the Volume 5 of PIDOA in scheduled time.
