Pediatric Nursing conference is glad to announce "32nd International Conference on Pediatric Nursing" from July 13-14-2020 in Sydney, Australia. The conference offers Prestigious Award for Young Research's at **Pediatric Meet 2020**- Gathering the New-born Advances in **Pediatric Nursing**.

Pediatric Meet 2020 invites research scholars & young scientists, to submit the nominations for Young Scientist Awards: Pediatric Meet 2020. This Pediatric Meet 2020 Young Scientist Awards will be announced at the upcoming "32nd International Conference on Pediatric Nursing" at **Sydney, Australia** on **Jul 13-14-2020**.

This **Pediatric Meet 2020** is an initiative of Conference Series to recognize and provide incentives to the Young Researchers who has shown great potential at their respective field of research. We at Conference Series always encourage the young budding minds to start their career in the field of research and innovations. The core of our Young Research Forum – Young Scientist Awards is to motivate the scholars to present their research ideas in front of the global experts and enhance their knowledge at our international platform. We at Pediatric Meet 2020 provide the best networking experience to the participant for their overall professional growth and to promote the collaborative research.

Pediatric Meet 2020 Conference will be an investigation of new research Innovation in the field of Pediatric Nursing and spread the most recent advancements in heart disease prevention and rehabilitation. Discussion on new technology advancement in the field of Pediatric Nursing, current practices in Nursing, Pediatric Healthcare, Childhood Obesity, Pediatric Nutrition, Pediatric Cardiology, Neonatology, Pediatric Oncology, Child Rights & Safety, Pediatric Emergency Medicine, Pediatric Care and Nursing, Pediatric Development, Pediatric genetic disorders, Pediatric Dermatology, Pediatric Bioethics and more. Detecting Pediatric disease and other Pediatric conditions, involves a team of healthcare professionals, of which the Pediatric technologist is a key player. The market is mainly driven by the increasing research funding for **Pediatric** from governments and private investors, growing demand for personalized medicine in the U.S. and Europe, and the increasing need for toxicology testing.

Encounter the target market with members from across the globe, committed to learn about novel technologies and innovations in **Pediatric Care**. This is the best opportunity to outreach the largest gathering of participants from around the world. Conduct presentations, distribute and update knowledge about the advancements in **Pediatric Nursing**, Pediatric Imaging, and Pediatric Regeneration and in different fields of Pediatric by

receiving name recognition at this 2-days event. World-eminant speakers, most recent researches, latest treatment techniques and the advanced updates in Pediatric are the principal features of this conference.

Past Conference Report

"30th International Conference on Pediatric Nursing & Healthcare" was organized on August 19-20, 2019 at the venue Mövenpick Hotel Zurich Airport in Zurich. We successfully hosted the event at the conference venue with the support and contribution of the organizing committee members.

At first on behalf of the organizing committee we would like to thank all the attendees of our conference for trusting us and participating in a global platform to discuss various important aspects of Pediatrics Nursing and Healthcare.

There are many reasons to extend our gratitude for making this conference an outstanding one. We couldn't have done it without the participants continuous support and believe towards our organization, which mutually made to achieve Pediatrics Nursing-2019 new heights in the field of Pediatrics.

The conference was marked with the attendance of young and brilliant researchers, business delegates and talented student communities representing different regions of the World, who have driven this event into the path of success.

Eligibility Criteria for Young Scientist Awards: Pediatric meet 2020

The Pediatric Meet 2020: Young Scientist Awards: is for all young Researchers, Research Scholars (Preferably PhD, Post Doc, and Post Graduates & Graduates) who has involved themselves into the R&D sector. The candidates should have minimum 3+ years of research experience and published minimum 3 research articles in international journals. Part time researchers can be considered subject to recommended by the research guide or any director level designated person from the organization.

Applications are invited on first come first serve basis. Only 25 nominations will be accepted globally.

Judging Criteria

Nominated candidates need to present their research or talk for 25-30 minutes in front of the panel members. Subject should be under the scope of the **Pediatric Meet** conference. Selection will be on the basis of individual accomplishments, quality &

standards of research, noble thought, research methodology, innovative ideas, style of presentation, significance of the contribution to the field, originality, clarity, and future extended scope of the research and probability of bringing the research in terms of products/services into public domain.

Nomination

We invite online applications from desired candidates, self-nomination or nominated by organizations (both private & public sectors)/research guides. The student must be the first author & the student's advisor should attach a statement that their contribution is primarily advisory.

Candidates applying for the **Pediatric Meet 2020**: Young Researcher Award should send their resume, along with a letter of recommendation (from a research adviser/faculty/organization heads) to pediatricmeet@asiapacificmeets.com along with the online application at the **Pediatric meet 2020** Award page.

Presentation
